

Lea S. Denny

Chief Executive Officer & Clinical Director

Decolonizing and demonetizing mental health through organizational leadership, structure, care, pedagogy, and practice

Established models.

These interdisciplinary models demonstrate how to understand and treat complex mental health conditions such as: CPTSD, intergenerational trauma, historical trauma
Some of these healing informed models, teachings, tools, and vocabulary include:

- | | |
|--|---|
| Models | Therapeutic Tools |
| Community Activated Medicine™ Framework™ | HIR-MAPS™ GATE Inventory |
| Mental Health Without Borders™ | Circle of Care™ Racial Impact Acid Test |
| Matriarchal holacracy leadership | Grief Surveys CAM™ Workbooks™ |
| Decolonized organizational care | Story Mending Relational Healing Passport™ |
| Verbiage | Programs |
| Persistent Toxic Systems and Environments™ | CAMPsites™ Radical Joy |
| Community Activated Medicine™ | Healing Dojo Podcast CAM™ MasterClass |
| Intergenerational Healing Approach™ | N8V-T Podcast Elders Book Club |
| Triple Attunement™ | Gatherers of Tradition Girls Leadership |

Life Philosophy
"It shouldn't cost you to heal."

Mental Health Without Borders™ Model

This model is designed to bring mental health providers into the field where people are at. Utilizing digital platforms and pop-up hubs for outreach such as CAMPsites™. These "offices" support immediate community and relational care to provide mental health and advocacy triage for free. This is done by bringing licensed mental health and trained wellness providers, community healers, and advocates to shared collective spaces.

25+

Mental Health Without Borders™ Partners

100+

CAM™ Informed Professionals

150+

Community Activated Medicine Provider Sites™ (CAMPsites™)
